FRESH SEMEN BREEDING CONTRACT

2

This is a non-transferable/non-assignable contract. In consideration of the mutual promises and covenants contained herein, and for valuable consideration, the parties hereto agree as follows:

1. Mare Owner will provide a copy of Mare's registration certificate with pedigree along with the contract.
2. The breeding fee for the semen shall be in Canadian dollars, payable prior to collection. Each additional live foal produced from the breeding must pay an additional \$1,300.00 breeding fee per foal to receive a breeding certificate to register the foal(s).
 - a. \$ 1,300 breeding fee ("Purchase Price") due in full prior to collection of the fresh semen. The breeding fee includes the price of first collection.
 - b. GST/HST is also applicable if the breeding is to take place in Canada.
3. Live Foal Guarantee: Should the mare fail to conceive, abort, or produce a live foal that is unable to stand-alone and nurse within 24 hours of birth, a veterinary certificate must be provided in writing by a licensed veterinarian within 10 days of the event. All rights to return to the stallion are subject to collection cost, and shipping fees must be paid in full prior to collection. This breeding right is sold for the mare identified above with a live foal guarantee and is limited to the current breeding season.
4. JL reserves the right to substitute frozen semen from the Stallion should the stallion be unfit to be collected or unavailable due to show schedule. Mare Owner would incur additional fees for shipping and handling of frozen semen in this case. Please refer to the frozen semen contract for details of those costs. A maximum of 2 doses of frozen semen will be sent.
5. Collection will take place at Boulder Ridge Ranch in St. Alphonse, MB, where the Stallion is standing for the current breeding season.
6. If additional collections are required after the first breeding attempt, an additional \$300 plus GST/HST (in Canada) collection fee must be paid to Boulder Ridge Ranch in full before each collection. If purchaser cancels their request for semen after a collection has been completed, there will be no refund of the collection fee.
7. A maximum of four collections will be permitted during the current year.
8. If you are planning to use embryo transfer, you must inform JL immediately. By signing this contract, you agree to pay an additional fee equal to the original breeding fee for each live foal from the semen provided. If embryos are collected and frozen, an additional breeding fee is due for each embryo.
9. Fresh chilled semen is collected Monday to Friday in the month of April. Orders will be taken by calling Boulder Ridge Ranch (Chelsea Hacault) at (204) 526-0395, at least 24 hours before the semen is to be shipped.

10. In addition, Mare Owner must provide Boulder Ridge Ranch a copy of the Collection Request Form for each collection request, emailed to boulderridgeranchmb@gmail.com.
11. Boulder Ridge Ranch shall ship fresh chilled semen from the stallion in viable condition when it leaves Boulder Ridge Ranch to the Mare Owner at the shipping destination supplied by the Mare Owner. Boulder Ridge Ranch holds no responsibility for shipping errors, misrouting, or mistreatment of shipper by shipping company, which might result in damages to fresh chilled semen.
12. Mare Owner is responsible for knowing the collection schedule and for providing the schedule to their veterinarian.
13. Shipping cost is at the mare owner's expense. The shipping container for fresh chilled semen is disposable and does not need to be returned.
14. JL assumes no responsibility for any loss or damage to the mare. Owner shall assume all responsibility for the condition of the Mare and shall bear all risk of loss or damage to the Mare whether by death, disease, injury, infection, or otherwise, and Mare Owner further agrees to indemnify and hold harmless JL and Boulder Ridge Ranch for any and all damages and liability.
15. This contract may not be assigned or transferred by Mare Owner without prior written consent of JL.
16. This contract follows the above noted mare and may not be transferred to another mare or new mare owner without prior consent of JL. Contract cannot be sold or reassigned to another party.
17. The validity, construction, and enforcement of this agreement shall be in accordance with and governed by the laws of the province of Manitoba.
