FROZEN SEMEN BREEDING CONTRACT

2

This is a non-transferable/non-assignable contract. In consideration of the mutual promises and covenants contained herein, and for valuable consideration, the parties hereto agree as follows:

1. Mare Owner will provide a copy of Mare's registration certificate with pedigree along with the contract.
2. Dose(s) ordered with this contract cannot be used for ICSI.
3. The breeding fee for the semen shall be in Canadian dollars payable on a per dose basis as follows:
 - a. \$500.00 per dose ("Purchase Price") due in full prior to shipment of the frozen semen
 - b. GST/HST is also applicable if the breeding takes place in Canada
 - c. There are 6 straws per dose of frozen semen of Son et Lumiere OBF
 - d. There is NO Live Foal Guarantee. There shall be no refund of the Purchase Price.
4. Frozen semen will be shipped from Boulder Ridge Ranch in St. Alphonse, Manitoba, which is the storage location of the frozen semen.
5. Shipping cost is at the mare owner's expense. All shipping costs will be invoiced to the Mare owner, unless the Mare owner has a personal FedEx number.
6. In the event the Mare Owner requires use of a shipping container, Mare Owner agrees that the shipping container shall be returned (i.e. received) to Boulder Ridge Ranch within 3 days of receipt of semen via the same shipping service that delivered the shipment. A late fee of \$25.00 per day shall be assessed for each day beyond the 3-day return period for which the shipper is not returned. Should the frozen semen tank be damaged, lost, or not returned within five (5) business days, the Mare Owner's credit card will be charged the cost of the tank (\$1,000.00).
7. Each shipment requires liquid nitrogen to prepare semen container and transfer semen. Mare Owner shall pay \$300 Canadian liquid nitrogen/handling fee (plus GST/HST, where applicable) for each shipment to prepare container and agrees to add this amount to the fees for the semen.
8. Boulder Ridge Ranch shall ship frozen semen from the stallion in viable condition when it leaves Boulder Ridge Ranch to the Mare Owner at the shipping destination supplied by the Mare Owner. Boulder Ridge Ranch and JL hold no responsibility for shipping errors, misrouting, or mistreatment of shipper by shipping company, which might result in damages to frozen semen.
9. JL assumes no responsibility for any loss or damage to the mare. Mare Owner shall assume all responsibility for the condition of the Mare and shall bear all risk of loss or damage to the Mare whether by death, disease, injury, infection, or otherwise, and Mare Owner further agrees to indemnify and hold harmless JL for any and all damages and liability.

10. This contract may not be assigned or transferred by Mare Owner without prior written consent of JL.
11. This contract follows the above noted mare and may not be transferred to another mare or new owner without prior consent of JL. Contract cannot be sold or reassigned to another party.
12. The validity, construction, and enforcement of this agreement shall be in accordance with and governed by the laws of the province of Manitoba.
